

Koppers Holdings Names Andrew D. Sandifer to Board

March 22, 2023

Company Expands Board of Directors from Eight to Nine Members

PITTSBURGH, March 22, 2023 /PRNewswire/ -- Koppers Holdings Inc. (NYSE: KOP), an integrated global provider of treated wood products, wood treatment chemicals, and carbon compounds, today announced that the company has increased the size of its Board of Directors from eight to nine members and has elected Andrew D. Sandifer as a director of the company, effective March 20, 2023.

Mr. Sandifer currently serves as Executive Vice President and Chief Financial Officer at FMC Corporation, a global agricultural sciences company. Earlier at FMC, he served as Vice President and Treasurer. Before joining FMC, Mr. Sandifer held key senior leadership positions at ARAMARK Corporation, Rohm and Haas Company (now part of The Dow Chemical Company), Boston Consulting Group, International Paper, and James River Paper.

Mr. Sandifer serves on the board of trustees of Germantown Academy, a private school near Philadelphia, Pennsylvania, and was previously a member of the board of directors of Philabundance, a leading hunger relief organization in the Delaware Valley.

Mr. Sandifer brings to the board broad international business experience and his expertise spans multiple industry sectors, with an emphasis on technology-driven product and materials businesses.

Chairman of the Board Stephen Tritch commented, "After a thorough, nationwide process, I am pleased that we arrived at the selection of Andrew Sandifer as the newest Koppers Board member. I believe that he will bring a fresh perspective to our Board discussions, which is always helpful in arriving at the best outcomes for Koppers shareholders."

President and CEO Leroy Ball added, "I expect Andrew to be an immediate contributor to our Board through his strong financial acumen and broad business experience with a focus in the chemical sector. His background and experience will be invaluable as the financial regulatory landscape continues to become increasingly more complicated."
